

## GOOSE AND DUCK HUNTING WITH ICELANDIC HUNTING ADVENTURES

Welcome to an unforgettable hunting experience in one of Iceland's treasures of nature. We offer you a four day guided hunting adventure in Northern Iceland on excellent hunting grounds. Hunting is our specialty and all hunting activities are customised to your wishes. The geese you will hunt are Greylag and Pink footed geese. The ducks you will hunt are Mallards, Wigeons, Scaups, Red-breasted Mergansers and Teals. Beautiful natural surroundings, comfortable lodging, hot tubs and tasty local food are a part of the stay with us at Stöng in Mývatnssveit.

**Day 1:** Our guests arrive at Stöng after a transfer from Akureyri Airport in the afternoon. Light refreshments and a briefing on the hunting before the first evening goose and duck hunt. After dinner it is time to go to bed since a hunt is planned the next morning.

**Day 2:** The day begins with an early breakfast before you are transferred to the hunting location with the guide before sunrise. After lunch it is time to relax for a while. The evening goose and duck hunt is followed by a dinner at Stöng.

**Day 3:** After a morning goose hunt and lunch there is time for relaxation and optional activities such as sea angling, whale watching, a visit to a local bird museum or Mývatn Nature Baths, a geothermal hot spring, at Lake Mývatn, one of Europe's greatest natural treasures. Dinner will be served at Stöng in the evening.

**Day 4:** After an early morning goose hunt it is time to pack and the journey home begins.
